Gentlemen of the House of Delegates,

We have received and rejected a resolution from your honorable body, authorising the Governor and Council to draw on the Treasurer of the Western Shore, for such sums as may be necessary to erect a warehouse in the city of Baltimore, and purchase a part of a vacant lot, on which warehouse No. 3, now stands. The reason for so doing is the apprehension that the condition of the treasury does not warrant the unrestricted draft which the resolution proposes, and the fund to which the report relied for the accomplishing the object of the resolution has long since been applied to other purposes and as no other provisions is suggested by which the treasury may be guarded against embarrassment—we therefore have rejected the resolution it not being susceptible of amendment. We take leave to suggest to your honorable body, that a resolution or bill, having the same purposes in view, and providing for its accomplishment in a similar manner as is contained in the act passed December session 1825, chapter 159, sec. 4, or by the issuing of stock payable out of the revenue of the tobacco warehouses at the pleasure of the State, will receive the favorable consideration of this body.

By order,

Jos. H. Nicholson, Clk.

We return to your honorable body and respectfully ask your reconsideration of the bill, entitled, an act to regulate
